

Trade Finance is a significant contributor to the banks' fund and non-fund based revenue. Banks play an important role in reducing risk for domestic and international buyers and sellers through these services. Providing these services is not an easy task due to continuously changing regulations, currency fluctuation, and diverse global practices.

Overview

C-Edge provides banks with a complete solution which allows them to manage their trade finance operations efficiently.

Trade Finance Solutions (TFS) is a C-Edge product that helps banks to improve their services by managing global trade operations across geographies.

C-Edge Technologies Ltd is a leading Technology, Infrastructure and Service provider to financial institutions in India and abroad.

C-Edge is a joint venture, between Tata Consultancy Services Ltd. (TCS) and State Bank of India (SBI), to provide transformational capability to the Indian financial services and emerging markets by addressing major technology needs of this industry. We are an integrated solutions provider and have created a niche market for ourselves, in India and abroad, by leveraging the technical and domain competencies of both our parent companies. The rich heritage possessed by our parents has given us many innate advantages resulting in tangible benefits for the banks we serve.
