## **ABOUT US**

C-Edge Technologies Ltd. Is a leading Technology, Infrastructure and Service provider to financial institutions in India and abroad.

C-Edge is a joint venture, between Tata Consultancy Services Ltd. (TCS) and State Bank of India (SBI), to provide transformational capability to the Indian financial services and emerging markets by addressing major technology needs of this industry.

## BENEFITS OF C-EDGE INTERNET BANKING

- > 24 X 7 service to customer
- > Customer empowerment
- > Reduced transaction cost
- > Banks become a one stop shop for all financial needs of customer

### C-EDGE INTERNET BANKING SOLUTION

Technology has changed the face of the banking industry to the extent that it has blurred physical boundaries and unleashed opportunities that seemed remote in the past. Banks and Financial institutions are leveraging technology to offer 24 X 7 services to their customers irrespective of their location. Brick and mortar presence has diminished with the advent of multiple delivery channels. Customer transactions have largely migrated to the virtual space.

### C-EDGE ADVANTAGE

- > Available on Cloud
- > Regular functional upgrades
- > Seamlessly integrated with core banking solution & other channels
- > Compliant with regulations
- > Ready to deploy
- > Secured application
