

The Pradhan Mantri Jan Dhan Yojana was launched on the 28th of August,2014 by the Government of India as an ambitious scheme for comprehensive financial inclusion. This scheme gives the account holder access to a basic banking account with overdraft facility, Rupay Card and Micro Insurance. Keeping in mind this recent development, C-edge Technologies Limited has come up with an end to end solution for the same.

C-edge has launched a solution to cater to the recently launched Pradhan Mantri Jan Dhan Yojana by the Indian Government. This solution enables the banks to reach out to those underprivileged members of our society who do not have access to basic banking facilities.
